

Introducing the Marelo,  
A beautiful, curvaceous recliner.

## Bespoke Perfection With Every Stitch

Our Marelo is a curvaceous, modern rise recliner that has been designed to complement any home or environment. The chair is exceedingly high in quality which is apparent in every stitch.

### Optional Side Table

With its simple yet elegant design, our compact modern end table is ideal for small rooms, apartments and waiting rooms with limited space.

### Pocket Sprung Seating

Our Marelo chairs come with an innovative, Queens Award-winning pocket sprung seat as standard, giving a high level of continual comfort.

### Curvaceous Ergonomic Arm

The uniquely designed Marelo arm has been developed to follow the natural form of the body, giving full support.

**Designed, Created &  
Built In Britain**

## Uniquely Designed Fold Up Table

Our beautifully stylish side tables are made using premium quality wood, which come with a melamine finish that is scratch proof and water-resistant.

Space-economisation is the main use of our tables and when not in use, the table can be easily folded down which makes it perfect for both domestic and professional use. Note no special skill or tools are required to operate or fix.
