

Introducing the Windsor, an affordable and extremely comfortable recliner.

Exceptional Value From A Quality UK Manufacturer

Our Windsor comes complete with a Single Motor Tilt-In-Space action which offers an extremely comfortable seating position through it's entire motion. Manufactured in the UK this product comes at an imported price.

Sleek Side Table

With its simple yet elegant design, our compact modern end table is ideal for small rooms, apartments and waiting rooms with limited space.

Single Motor TIS

A quiet smooth recline action with a zero gravity no shear motion. The powerful 6 kN motor lifts with a 'tilt in space' motion. Max Weight capacity 20 stone (127 kg).

Fibre-Filled Back

As a standard feature the Windsor has a fibre-filled back cushion which offers extreme comfort when either in the sitting or tilt position.

Standard**

Uniquely Designed Fold Up Table

Our beautifully stylish side tables are made using premium quality wood, which come with a melamine finish that is scratch proof and water-resistant.

Space-economisation is the main use of our tables and when not in use, the table can be easily folded down which makes it perfect for both domestic and professional use. Note no special skill or tools are required to operate or fix.
