**The Surrey Demo**

Our Complete Demonstration Chair

# Introducing the Surrey Demo, Your Demonstration Model.

## What Is It Designed For?

The chair has been designed with your customer in mind.

With it's interchangeable back and seat options, the Surrey Demo really does allow your customer to feel and experience the chair they are going to receive and purchase.

### Multiple Back Options

The Surrey Demo Chair comes complete with a range of back options: 3 Tier Waterfall, 2 Tier Waterfall, 2 Tier Waterfall with Lateral and a Button back.

### Single or Dual Motor

The Surrey Demo Chair is available on both a Single Motor or Dual Motor Tilt-in-Space mechanism of your choice.

### Removable Seat Cushions

The Surrey Demo Chair comes complete with a range of different grade seat cushions enabling the user to find the appropriate seating for their needs.

### Removable Seat Cushions

The chair comes complete with 3 optional seating systems which demonstrates the seating variations that we offer to cater for individual requirements.

The first cushion is made from a traditional reflex foam offering a medium to soft seat. The second is again built with a traditional reflex foam but with the added comfort of our Queens award winning sprung seating system offering a very sumptuous seat. Finally the third cushion is made using a firmer density graded foam for those who look for a firmer seating option.

## 4 x Back Designs in 1 Complete Chair

We offer all 4 back designs on our Surrey Demo chair which easily shows all the variations of back designs available, thus making it easy for in house demonstrations or for retailers with not much floor space.

### 2 Tier Waterfall Back Cushion

A vertical and versatile 2 cushion back that are both removable enabling to add more or less padding to cater for individual comfort requirements.

### 3 Tier Waterfall Back Cushion

A vertical and versatile 3 cushion back that are all removable enabling to add more or less padding to cater for individual comfort requirements.

### Lateral Back Cushion

A popular cushion that provides wonderful lower back/hip and spinal support which envelops you in comfort with it's built in lateral support lumbers

### Button Back Cushion

Our 7 button back cushion offers a traditional style to the Surrey Demo whilst providing the user with comfort and supports good posture in the sitting position.

### Wait, there's more....

To complete your Surrey demonstration model we also supply you with a FREE comprehensive range of fabrics and a measuring stick.

The measuring stick is identical to the one we use through our production process, ensuring your chair is correct to your requested size.
