Multiple Back Options

The Harmony is available with multiple back options allowing any user to find comfort. Zipped rear access allow fibre adjustment which can be beneficial to postural conditions.

Waterproof Fabric

Our selection of high quality waterproof fabrics combine maximum abrasion resistance with a specially engineered low friction surface which minimises the risk of shear.

Removable Seat Wrap

The combination of a removable seat wrap and seat insert can accommodate high risk gel and air solutions. The removable features offer quick and easy access when cleaning is required.

Available Back Options

2-Tier Drop Back

A classic fibre filled back cushion provides a soft feel and maximum comfort. The 2-Tier Drop Back comes fully adjustable with zip access at the rear to offer bespoke support around the back area.

Vertical 2-Tier Drop Back

A fibre filled back designed for a comfortable feel and to aid in the reduction of pressure around the mid-back and spinal areas. Beneficial to users with more complex postural needs such as Scoliosis and Kyphosis.

3-Tier Drop Back

Each individually fibre filled cushion has zipped rear access for adjustment, providing maximum comfort & bespoke support. Beneficial to users with more complex postural needs like Scoliosis and Kyphosis.

Foam Lateral Back

A firm foam filled Lateral Back with a soft fibre filled headrest. This will not only provide comfort, it also will help to maintain a healthy mid-line position from the hips upwards, which is key for good posture.

Variable Cushion Inserts

The Harmony cushion inserts intelligently constructed design accommodates the diverse needs of the user, particularly those at higher risk of pressure related issues.

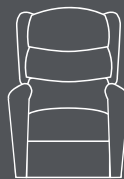

Our innovative design seamlessly integrates adaptable air/gel solutions with versatile back options, resulting in an elevated posture and an improved overall seating experience.
