

RECLINERS

COMMITTED TO QUALITY & SERVICE

Melody

The Melody chair offers a long-term postural and pressure management seating solution.

Comfort, Pressure Management & Posture Control as Standard.

The Melody is crafted to cater to a diverse user base seeking a blend of comfort, pressure management, and posture control in their seating. Height & angle adjustability along with complementary accessories render it an ideal choice for individuals in need of precise and tailored support.

Suitable Environments

Home

Nursing & Residential

Healthcare

Mardi Gras Tangerine & Black VP

Postural Management

Using interchangeable back and pressure seating options allows the user to achieve the most comfortable sitting positions and to achieve the correct posture.

Tilt in Space System

With independent leg elevation and back recline, this system enables change of orientation which redistributes pressure and maintains physical angles at the hips, knees and ankles.

Pressure Care Management

With medium risk pressure care as standard, the Melody has a specifically designed seat module design built to accommodate high risk gel and a variety of air solutions with ease.

Available Back Options

2-Tier Drop Back

A classic fibre filled back cushion provides a soft feel and maximum comfort. The 2-Tier Drop Back comes fully adjustable with zip access at the rear to offer bespoke support around the back area.

Vertical 2-Tier Drop Back

A fibre filled back designed for a comfortable feel and to aid in the reduction of pressure around the mid-back and spinal areas. Beneficial to users with more complex postural needs such as Scoliosis and Kyphosis.

3-Tier Drop Back

Each individually fibre filled cushion has zipped rear access for adjustment, providing maximum comfort & bespoke support. Beneficial to users with more complex postural needs like Scoliosis and Kyphosis.

Foam Lateral Back

A firm foam filled Lateral Back with a soft fibre filled headrest. This will not only provide comfort, it also will help to maintain a healthy mid-line position from the hips upwards, which is key for good posture.

Melody Key Features

Height Adjustable Footplate

A height adjustable footplate attaches to the leg rest, once elevated to cater for various sized users.

Angle Adjustable Footplate

For users with restricted ankle movement. Foot pads are available to accommodate leg length discrepancy.

Operational Grab Bar

Heavy duty grab bar with additional rubber grips and locking control paddle for recline and TIS operations.

Inbuilt Lateral Support

Our fibre lateral backrest offers moderate postural support to the lower back and trunk as standard.

Horseshoe Headroll

A contoured soft pillow to fit shoulders & neck. This pillow provides a very supportive head position.

Deep Contoured Headroll

A reflex foam headrest provides support to users who suffer with severe head movements and/or neck injury.

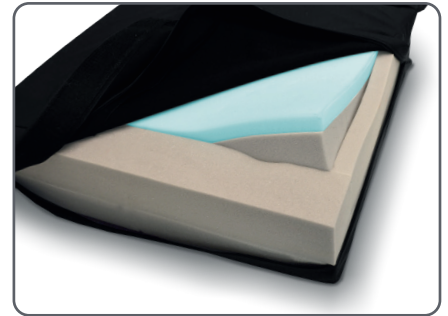

Padded Pelvic Belt

The additional padded pelvic belt maintains user position and is designed for user comfort.

Individual Locking Castors

100mm locking swivel castors made from high grade synthetic materials. Total lock and directional lock available.

Interchangeable Seat Module

The interchangeable seat module allows for Posture Visco, Gel, Air and Dynamic Air options to be added with ease.

Size Matrix

Measurements Shown In Inches.

Size	Seat Height	Seat Width	Seat Depth	Back Height	Arm Height
Petite	17 to 21	18	18	28	9
