Easy Motion™ - Designed & Sourced by Recliners

Introducing Easy Motion™

As part of the Seminar Group, Recliners continues to expand its expertise in seating innovation through the creation of Easy Motion™; our dedicated brand for imported recliner chairs. Designed, developed, and sourced by Recliners, Easy Motion™ represents the same core values that define our business: quality, reliability, and comfort - made accessible to a wider market. Recliners has strengthened its position as a complete seating solutions provider. Together, we combine the precision of UK manufacturing with the efficiency of global sourcing, ensuring that every Easy Motion™ chair delivers dependable performance at exceptional value.

Why Choose Easy Motion™?

Comfort made accessible. Easy Motion™ bridges the gap between design innovation and affordability, offering a practical solution for retailers and end users seeking comfort without compromise. Each model is thoughtfully designed by Recliners' in-house product team and manufactured by trusted global partners under very strict quality control.

Every Easy Motion™ chair reflects:

- Recliners' design expertise and ergonomic comfort
- Cost-effective production without sacrificing durability
- A dependable warranty and after-sales support

Easy Motion™ forms part of our wider vision to offer a complete portfolio of motion furniture, from UK-manufactured premium ranges to globally sourced everyday comfort solutions. With Easy Motion™, we make reclining comfort easier to access, while maintaining the standards our customers love & trust.

Your Castlelan Warranty

Castlelan is the UK's leading provider of furniture warranty and repair services, offering comprehensive coverage for your purchase. Our warranty guarantees peace of mind for five years, ensuring that if your furniture requires repair or replacement, it will be handled swiftly and professionally.

Key Benefits of Your Warranty

Peace of Mind: Enjoy five years of coverage with repair or replace policies that include a credit note reimbursement for full retail value plus an administrative fee.

Comprehensive Coverage: Includes accidental damage, structural issues, and even stains—all suddenly occurring and accidental incidents are covered under this plan.

Specialised Support: In-house repair technicians equipped with mobile workshops cover the entire UK, including Ireland and the Channel Islands. Service appointments are booked within 3-5 days, and vulnerable customers receive priority scheduling.

Easy Online Registration: Register your warranty online with full management information and support from a personal account manager.

Coverage Details

Stain Coverage: Any sudden and accidental stains are fully covered; this includes odours following stain treatment, ensuring your Recliner remains in pristine condition.

Accidental Damage Protection: Covers structural damage, breakages to components like zips and recliner actions, and damage from children or pets.

Electronics and Structural Integrity: From USB ports and integrated electronics to the basic frame and cushion interiors, every part of your chair is protected.

Claims can be made easily via phone or online within 28 days of noticing an issue. Castlelan strives to reduce claim declines and complaints, ensuring that every interaction meets or exceeds your expectations.

This warranty service by Castlelan not only covers all necessary repairs and potential replacements but also ensures that your product maintains its functionality and appearance, adding value and satisfaction to your purchase.
